Show Times Fri. 6:15pm, Sat. 10:00am, 1:30pm and/or 5:00pm. Seating begins no earlier than ½ hr before each show.

Online Ticket Sales Begin Saturday, May 8th at 9:00am.

Covid Precautions: At this time St Charles County guidelines for large gatherings is for everyone to wear a mask and social distance 3 feet. Students will need to wear a mask while in the dressing area or lobby, but not while performing. We suggest they bring their own baggie and place it in there while they are performing. The school has an extensive sanitizer they spray that coats and disinfects all surfaces and seats. Hand sanitizers will be available to use. Each family group of tickets purchased will be distanced between other family groups. We ask if you have any covid symptoms to please not attend.

Student Dressing Room & Arrival Time: Signs will be posted in the lobby as to where your dressing room is located. Students must be in their dressing room ½ hr before the show begins unless otherwise instructed. They are to arrive in the costume they are first performing in with hair and make-up done. **They must remain in the dressing room area unless otherwise instructed. A TV monitor will be provided for students to watch the show.**

PreDance/Tumble - PreCombo Students: These students only, during the half of the show they are not performing in, will be able to sit on your lap and watch the show. If you are performing before intermission, you will need to be in your dressing room 15min before the show begins and can then sit on a lap in the auditorium after intermission. If you are in the second half of the show you will go to your dressing room at intermission and be picked up on stage after the finale.

Dressing Room Volunteers: We need 1-2 Female volunteers for each class to be with the students in the dressing room. Volunteers need to be in the dressing room 15min before the show begins or go back at intermission. Dressing room helpers will escort their class behind stage 3-4 numbers before they are to perform. Volunteers will be able to watch on the side of the stage or walk down front to see the performance. You will then take them back to their dressing room and stay with them until intermission or the end of the show. Each volunteer will get a \$12 ticket refund. Please sign the sheet on the information wall at the studio if you would like to be a volunteer. To receive your refund, please see the office assistant the last week of class, May 14-20, and she will give it to you at that time. Thank you for your help! PreDance/Tumble and PreCombo classes only need a helper for ½ of the show. For all other classes there will need to be a helper for the entire show. We suggest splitting time with another parent (one for the first half and one for the second.) If you are going be in the dressing room during the entire show you will not need to purchase a ticket. If we do not have enough volunteers signed up by May 15th we will need to draw names and assign a parent to help. It is very important we have someone watching students in the dressing room at all times. Thank you!

Finale Celebration and Give a ways: All students will come on stage at the end for one last applaud. There will be prize give a ways tossed out. Pre School & Pre Combo students will be on the front part of the stage and may be picked up there when the finale is over. If they perform in the second half of the show, they will be brought out to the stage from their dressing room. PreDance/Tumble and PreCombo Students who performed in the first half and are already in the auditorium, may walk up on the stage. All other students will go back to their dressing room where they may be picked up when the show is over.

Costume Changing: If your child needs help changing costumes, quietly leave the auditorium in between numbers to do so.

Make-up & Hair: Make-up is recommended to be worn so that you can see the performer's expressions in the bright stage lights. Make-up is not mandatory. I recommend blush, red lipstick and a light colored eye shadow (browns or grays). Eyeliner Mascara or fake eyelashes are recommended but not required. Hair is to be done neatly the way the instructor has asked and no visible underwear is to be worn! A Make-up and Hair bun tutorial is available on the web under the Starz dance team tab.

Video Taping: No Tripods allowed in the isle. We recommend you purchasing a DVD form Mr. Video. The order sheets will be provided and are to be turned into Mr. Video the day of the performance. Forms will also be available at the show.

Flowers: It is a tradition to give the performer flowers after a performance. Flowers will be available to purchase in the lobby before each show and at intermission.

Pictures, Recital Pin & Split Awards – The last class students will receive their recital pictures and collector recital pin along with any split awards they may have. One parent/person may come in the last 10 min class, with a mask on, to see their child receive this and take pictures.
