

# Recital Costume Pictures April 22-26 2024

We ask for you to please be at the studio NO LATER than 10 min before your scheduled picture time. Have your costume on and put together, light make-up and hair done, correct shoes on, and correct color and **brand** of tights (**Capizio**). No underwear is to be worn under your costume for pictures or recital. On the back of this note you will see the details with recital picture days, times, tight color, shoes and style of hair. Please know that your picture time may not be the same as your class time.

Please be completely ready and wait in the waiting area until you are called for pictures. Picture envelope forms were handed out in class with this note. Have your envelope(s) filled out and correct amount of money inside. (no change will be provided) Checks are to be made to McVicar Photography. If you will be paying by CC a form will be available at the studio the day of pictures. If you are in more than one number you must have an envelope for each costume, but you may put the check or cash of the total amount for **all** pictures in one envelope. Please make a notation on the first envelope if you choose to do this.

We try our best to run on schedule but sometimes there are delays. You can help us stay on schedule by being ready and arriving on time. Please be patient and try not to schedule other activities for that evening. In order for the photographer to do the best job and to help keep things running smoothly, parents are asked to not be in the photo room. This keeps the eyes focused on the photographer and not Mom/Dad. No classes, the days of pictures Mon – Fri April 22-26. There will be class on Saturday this week.

When you receive your costume, take it out of the bag and, if need be, sew or pin everything together. To remove any wrinkles, hanging it up in a hot shower with steam usually does the trick. Cut all strings that may be hanging. Please keep in mind the costumes are not a custom fit. We measure each student and add 1-2 inches and order from the size chart given. After the costumes are in, it is almost impossible to get another costume in time for the recital. So please be understanding if the costume does not fit perfectly.

If you have a hair piece, place it on **your Child's right side** of their head or around pony/bun, unless your instructor has specified other. If your hair is too short to put up, do your best to look the same. **All tights must be made by capizio**. Tights can be purchased at Dance Supply Etc. in O'Fallon, SAS in St. Peters, Madison's Dance wear in Chesterfield or most any other dance supply store or online. If you are in tumbling and in other dances that require you to wear **capizio light** suntan tights, it is best to get the Converter/transition tight. This allows you to wear the tight both footed and off the foot for tumbling or dances that require no shoes. If you are **only** in tumbling... Footless or stirrup is best. If you have long pants you are not required to wear tights, but no underwear or socks that can be seen or have panty lines, may be worn. Unless specified by your instructor.

Solos, Duets etc... may get their pictures taken in between picture times. Have your pose Ready Pictures will be handed out the last week of the 2023/24 studio year, May 11-17.

**Recital** – Sat. May 18 at the Troy Hungate Performing Arts Center 1190 Old Cap Au Gris, Troy Mo  
**Online Ticket Sales Begin**- Sat. May 4, at 9:00am

**FULL Tuition and fees for both April and May are Due April 1<sup>st</sup>**  
**ALL balances must be paid**  
**to purchase tickets and participate in the recital.**

(Mon-Thurs evening classes may be billed for May tuition separately if the class is made up during picture week due to previous construction conflicts. This tuition will be due on May 1)

**Coming Soon:** Recital Ticket & T-Shirt sales and detailed Recital information will all be handed out in class, emailed, posted on the website under the "**Studio Notes**" tab and posted at the studio. A rough of the show programs will also be posted in the studio lobby and during the week of pictures. Please review that your child's name is listed along with the correct spelling of their name. If not... please make the correction on the sheet.

**Please be sure your cell number and cell provider, email address and home address are correct in our system to receive all important information.**

Thank you, Angie's Studio [www.angiesstudio.com](http://www.angiesstudio.com)
